The Dance PAC welcomes all new and continuing students. Get ready for the most exciting year ever, filled with memories over the past seventeen years, and new memories to build this 18th year. We are very excited to start the new classes & routines for our fall/winter programs. We hope that you will be returning for another exciting year.

Our full term program consists of recreational and competitive classes for ages 2 1/2 and up from September 12– May 26th. Our classes involve syllabus, choreography and routines for a year-end recital to be held at Living Arts Centre.

Although not every dancer desires a career in dance, it is very important to

be the best they can be. In return we will continue to see that each student receives every opportunity possible at the Dance PAC. To speed up the registration process, we are having 10 minute appointments for our continuing students.

For all new students, registrations will take place on our open house day. Please read the following information clearly and if you have any concerns or questions, please do not hesitate to call me at the studio or email me at [nikky\\_saclamadis@hotmail.com](mailto:nikky_saclamadis@hotmail.com)

Happy Dancing

Miss Nikky
